## Flask Project:

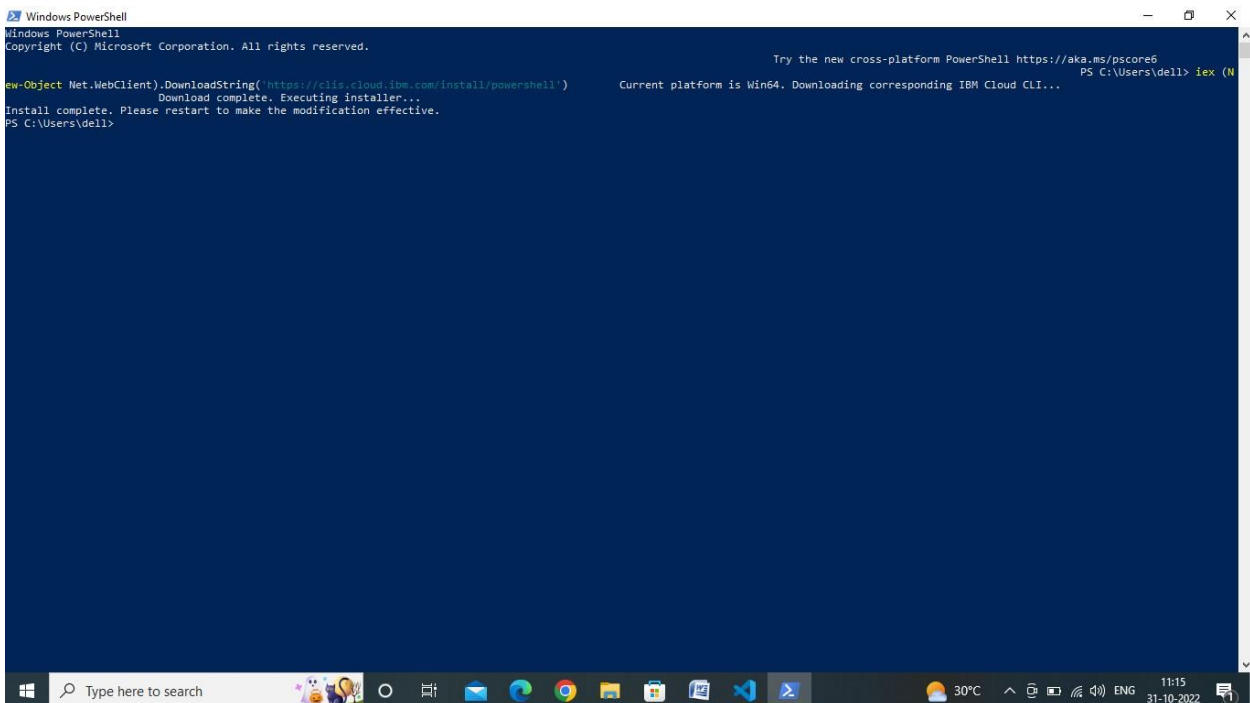

The screenshot shows a web browser window with two distinct forms. The left form, titled "Sign In", contains input fields for "Username" and "Password", followed by a "Sign In" button. The right form, titled "Sign Up", also contains input fields for "Username" and "Password", followed by a "Sign Up" button. The browser's address bar at the top displays the URL "127.0.0.1:5000". The right edge of the browser window features a vertical toolbar with various icons, including search, home, and application launchers.
